

2026 Tax Preparation Pricing & Process Overview

Each tax year brings changes to tax laws, forms, and filing requirements. To ensure accuracy, compliance, and secure handling of your information, the following pricing reflects the time, expertise, and tools required to prepare your return properly.

My goal is to provide accurate, secure, and efficient tax preparation while maintaining a smooth experience for clients.

Individual Tax Preparation Pricing

Basic Individual Return — starting at \$110

- W-2 income only
- Standard deduction
- One state return
- Secure document upload and e-file

Standard / Enhanced Return — starting at \$150

- Multiple W-2s and/or 1099s (more than 3 per filer)
- Itemized deductions
- Common credits (child, education, etc.)
- City returns

Self-Employed / Complex Return — starting at \$200

- Schedule C, rental, farm or investment income
- Business expenses, mileage, assets
- Additional schedules as required

Additional Services

- Amended returns: starting at \$50
- Extensions: \$25
- Additional state returns: \$35 each
- Late or disorganized submissions close to deadlines may incur additional fees

Important Notes

- All tax documents must be submitted through the secure upload link
- Pricing is based on complexity and forms required
- Returns are completed in the order documents are received
